Please read all the instructions and look at the pictures before attaching the ProClip.

1. Peel off the adhesive tape cover on the ProClip. Press the angled edge on the upper part of the ProClip into the gap between the console sidewall and top panel on the console.
 2. Flip/Press the ProClip downward so the angled lower edge hooks under the lower section of the console sidewall and into the seam on the under side.
 3. Place your finger underneath the lower part of the ProClip and press up on the ProClip for best possible attachment of the adhesive tape.
 4. The ProClip is in place.
